The **Bursary of Hope for Autism** is a non-profit, volunteer-driven organization dedicated to raising funds to support families struggling to afford Applied Behaviour Analysis (ABA) therapy for their children with autism. This therapy can dramatically change a child's life, greatly improving communication, social and academic skills and helping them reach their full potential.

We are hosting our annual Gala on Friday October 18th, 2024, at Liuna Station in Hamilton, and your support is needed to give families and children living with autism the opportunity to receive life-changing therapy no matter their financial circumstances.

How can you help? Buy a ticket, buy a table, contribute an auction item, make a monetary donation, and/or sponsor the event. For more information on the Bursary of Hope for Autism and our annual Gala please visit bursaryofhope.com.

Thank you for your consideration and support.
